General Description of What We Look for in our Volunteers:

We are recruiting for volunteers to help us with Programs, Special Events, Animal Care and Property Maintenance. Programs include:

- ✓ Special Events include tours, presentations, information fairs, open houses, fundraisers, appreciation events and more. These events take place at various times during the year.
- ✓ Animal Care and Property Maintenance typically involves work done on a regular basis (weekly, monthly) but on occasion may be a one-time only project. Some examples of Animal Care and Property Maintenance include cleaning animal enclosures, socializing animals, animal training, shoveling snow, fixing fences, building enclosures, mowing lawns, gardening and more.

- ✓ There is also potential for volunteers to share their skills and interests by volunteering to do things such as photography, administrative assistance, presentations, assist with program development and more.
- ✓ Volunteers may join the Dreamcatcher™ Charity board, become a member and assist with fundraising to help vulnerable people or enhance the care and welfare of the rescued animals.
- ✓ Volunteers will work alongside Dreamcatcher™ staff in all of these capacities. (Although, there may be times where volunteers are working independently).

All of the Dreamcatcher™ Programs involve working with vulnerable people or people in need of help in some capacity as well as working with the Dreamcatcher™ animals which are specially chosen, screened and trained.

What is crucial for volunteers at Dreamcatcher™ is having good solid animal (including horse) experience, a comfort level around the animals and the ability to read the animals' body language to help prevent things before they might happen - this is to help keep everyone safe and to ensure a great animal experience. Animal experience may not be a requirement depending on the volunteer position. We also look for people who are patient with children or youth who might have trouble listening or following directions. The populations we work with all need help in some way, so we conduct all of our work through love and kindness. As a result, volunteers are required to attend specific trainings and seminars provided by Dreamcatcher™ which pertain to the areas of work the volunteer will be involved with.

Some examples of how you might be involved with both people and animals in your volunteer role with Dreamcatcher™:

- Help catch and halter/ lead/ groom an animal with a program participant
- Handle an animal while working with a participant for a particular exercise/activity
- Run a craft, game or animal related station independently or with another volunteer or Dreamcatcher™ staff.
- Help to ensure everyone stays safe by being an extra set of eyes and ears
- Provide animal care through cleaning animal enclosures, cages.

Special Event Volunteers may be requested to:

- Help get the animals bathed/groomed before an event
- Help sort out and prepare the supplies needed for an event
- Work with an animal in an educational and interactive capacity for the duration of the event
- Conduct a nature craft station or interactive/educational nature or animal game at the event
- Be responsible for dealing with an animal or program participant who might be extremely nervous or emotionally unbalanced – Dreamcatcher™ staff are on site to help in every situation if necessary
- Help to ensure everyone stays safe by being an extra set of eyes and ears

These days are called Fur and Fun days and they usually have anywhere from 5 to 50 children and youth with special needs who are coming for a two-hour tour which includes interactive nature and animal exercises, activities, crafts and games. These days are run by Dreamcatcher™ animal handlers and special event planners and are generally ended with a weenie roast and marshmallow lunch.

Dreamcatcher™ has flower and vegetable gardens that require maintenance and upkeep as well. Any general help in caring for the animals and the property is always greatly appreciated!

Volunteers at Dreamcatcher™ do not participate in any aspect of counselling with the clients at the Dreamcatcher™ program. Volunteers will have the opportunity to observe and learn about the experiential aspects of an Animal Assisted Therapy group and will interact with and support clients during these activities. If a client were to make a disclosure to a volunteer or seek counselling support in any way, the volunteer must refer and report this to one of the counsellors working with the group as soon as possible. Also, to be reported immediately, is any animal-related concerns such as any abusive behavior witnessed.

Time Commitment

- Time commitment varies depending on the volunteer position.
- Weekly and Monthly Animal Care and Property Maintenance volunteers are asked to commit to a minimum of three months volunteer duration.
- For Programs and Special Events, volunteers may only volunteer once for a program or special event or may volunteer many times. We ask that Program and Special Event Volunteers commit to the program or event with a minimum week in advance notice. However, Special Event and Program volunteers who do not respond to or volunteer for 3 Programs or Special Events in a row, will be taken off the volunteer list (Unless the volunteer is helping out in other capacities e.g., weekly work).
- Time commitment is also determined by the volunteer’s availability.
- We ask that volunteers who wish to discontinue volunteering provide us with 2 weeks notice so that we may find another volunteer to fill the position.

Insurance

All volunteers are covered for general liability under Dreamcatcher™’s general liability insurance policy while working on Dreamcatcher™’s premises and under Eileen Bona’s supervision. Volunteers are NOT covered for professional liability and do not participate in any aspects of counselling with Dreamcatcher™ clients. Volunteers will be required to sign a risk and liabilities waiver.

Due to the nature of our organization and some of our volunteer positions, Dreamcatcher™ requires the following background checks to be conducted for all volunteers over 18 years of age.

1. Criminal Record Check – available at your local police station

3. 2 Personal References

Dreamcatcher™ will only use the above information to determine your suitability for participating in volunteer work at our organization. All such information will be kept confidential.
