### Time On The Land Code of Conduct

Welcome to our Dreamcatcher family! We look forward to meeting you for your time on the land with us!

As a visitor to Dreamcatcher, I acknowledge that I understand and will comply with the rules that follow. I also understand that failure to adhere to the rules may result in me being asked to leave the Dreamcatcher property.

1. Confirmation of the number of individuals in your family visiting Dreamcatcher is required.
2. Children will not be left unattended at any time.
3. Adherence to the rules of where to go or not go must be followed. Especially in regards to entering buildings or enclosed/fenced areas that have been indicated.
4. Please do not approach the large animals if you are inside any area or pasture with them. Animals that are not under control (i.e., not on a halter and lead rope, but rather “free of rein”) can be unpredictable and cause serious injury.
5. If you or any member of your family are injured in any way, please inform a Dreamcatcher staff IMMEDIATELY.
6. Please be mindful of all gates and doors and ensure they are securely shut behind you when you are entering or leaving a space. Animals outside of contained enclosures could result in serious injury to animals and to people.
7. Our animals are therapy animals and are screened and trained for safety. However, they communicate and behave in ways that is much different from domesticated household pets and following these rules will ensure everyone remains healthy and safe, including you and yours!

I have read, understand and accept the terms and conditions of the Dreamcatcher Time On The Land Code of Conduct.
